

SCHENGEN TRAVELLERS INSURANCE

Our Schengen Travellers Insurance is the essential plan for individuals travelling to the Schengen area. It complies with all Schengen regulations and covers you for business and/or leisure travel in Schengen countries and extended areas.

Two possibilities for maximum freedom

Depending on your needs, you can opt for 'Single entry' (for journeys from 7 to 90 consecutive days) or 'Multiple entry' (during a period of max. 1 year, you can stay in the Schengen area for a maximum of 90 days).

No extra administration with your broker

In some countries, the host of non-European visitors has to prove his/her liability insurance is adapted for non-European guests, or they have to warrant the liability themselves. This extension of policy is already included in our Schengen policy. No need to bother the host with this.

Extend your coverage to neighbouring countries

With Schengen + Extended zone cover, we can extend your cover to neighbouring countries that do not (yet) belong to the Schengen Zone. In that case, you should always take the 'Multiple entry' formula as you are leaving and entering the Schengen Zone again.

24/7

Our multilingual alarm centre is available 24 hours a day, 7 days a week. Whether it is a medical emergency or a problem with your family in your home country, our representatives give you all the support you need.

Easy online

Our Schengen Travellers Insurance can easily be concluded online.
